

In a word: Serious. The lush, voluptuous Merlot character is transformed in this wine from merely pretty to irresistible. It's the tannic structure inherent in Elephant Mountain wines. This provides the lift that carries the dark fruit flavors. Mineral, leather and floral notes reveal a broad palate impression. It impels the taster to start eating: Duck breast, halibut, veal, risotto....

Origin of Grape: Elephant Mountain Vineyards, Yakima Valley, Washington

Composition: 100% Elephant Mountain Merlot
